

Sport Premium for the academic year 2015/2016

The school allocation for sport premium funding for 2015-16 is £9785.

| How is the money being spent? | What is the intended purpose? | What is the intended impact and sustainability? | What is the impact after spending? |
|---|--|--|--|
| Funding to provide PE co-ordinator with subject leadership training. Cost: £170x3=£510 | To provide the newly appointed PE co-ordinator with the opportunity to develop leadership and management skills within the subject area. | Greater understanding of the leadership and management of the subject area for the PE co-ordinator. Improved communication about relevant PE initiatives/events between the co-ordinator and staff. | PE co-ordinator has acquired a good understanding of what the role of the PE co-ordinator entails. The PE co-ordinator has been able to develop actions plans from attending these courses to focus on specific areas which need developing in PE. |
| Funding to secure commitment to School Sports Partnership. Cost: £1200 | To maintain high prominence and encourage participation within interschool and national competitions and sporting activities. | High level of participation and success at sporting events both at local and national events throughout the year. | Many KS2 children attended competitions and tournaments through this partnership. This impacted on a greater sport profile within school which was then put on to a PE display and celebrated within assemblies. |
| Funding to secure commitment to Tigers Trust charity. Cost £2500 | To provide staff CPD through observed sessions. 10 weeks in EYFS and Y2 (multi-skills). 6 weeks in Y3 (rugby). | Staff upskilled and have greater confidence in delivery of sessions which provide children with a more varied PE curriculum. | Specific teachers observed lessons and the activities which then enhanced their own teaching particularly when looking at multi-skills and invasion games. |
| Funding to secure commitment to Tigers Trust charity. Cost: as above | To encourage and inspire younger pupils to participate and take interest in sporting activities. | Pupils participate in local sporting competitions – school hosts competitions for locality. | Many children attended competitions and tournaments through this commitment. This impacted on a greater sport profile within school which was then put on to a PE display and celebrated within assemblies. |
| Funding to secure specialist coaches in | To provide opportunity for Year 6 | Pupils become interested in a wider | The children participated with the |

|---|--|--|---|
| | To promote a healthy and active lifestyle to the least active children. | active children within school. | |
| Funding to secure a whole school teaching scheme for PE. Cost: £600 | To provide staff with a scheme to support the planning and teaching of PE. To increase confidence within staff when planning and teaching PE. | Pupils cover a range of physical activities and sports through a progressive programme of objectives. Staff confidence increased when planning and teaching PE. | Staff welcomed the PE scheme of work as a resource to use in areas they didn't as confident in planning and teaching. Evaluating the effectiveness of this scheme to be completed in the academic year 2016-2017. |
| Funding to provide CPD on differentiation in PE. Cost: £170 | To increase knowledge when planning for differentiation in PE. To increase the confidence of staff when planning for differentiation. | Within staff meeting time feedback from the course will be shared. PE planning is continually made accessible for all children with teachers having a greater knowledge and confidence of how to do this. | Unfortunately this event wasn't attended due to staff illness. |
| Funding to provide CPD on orienteering. Cost: £82.50 | To increase knowledge of different activities for PE. | Upskilled staff within the specific area. Pupils become interested in a wider range of sporting activities. | Staff gained understanding of skill progression when planning and teaching orienteering. This will have a positive impact when planning PE lessons. |
| Funding to provide PA system for outdoor PE lessons, Sports day and competitions. Cost: £200 | To have clearer communication during outdoor sports activities to comply with health and safety as stated in the PE policy. | Staff will use the PA system during outdoor sports activities. Pupils will engage with a variety of sports with greater accessibility. | Using the PA system has made communication in sport events easier and therefore has had health and safety benefits when running these events. |
| Funding to promote the status of PE and sporting competitions. Cost: £200 | To promote competition throughout the school. | Pupils enthused to participate and compete within sporting events and share the goal of winning the medal. | There has been an increase in the amount of sporting competitions that children participate in, ranging from Year 6 down to EYFS. |
| Funding to provide equipment for wider range of sports activities and clubs. Cost: £2016 | To have the required and appropriate equipment for a range of sports activities and clubs. | Staff can plan with greater confidence in the resources available. Pupils will have the opportunities to use a range of the correct equipment | The new equipment has enabled teachers to be confident they are implementing well-resourced lessons in which the children can progress. |
