

Curriculum Information – Year 4 Spring 2

At Westfield Primary we value the important support that parents and carers can offer our pupils. To help you have a more detailed understanding of what your child will be learning this half term, we have prepared the following information. We hope that you will find this both interesting and useful.

Thank you for your continued support,

Mr Robinson and Miss Plews.

Computing:

We are co-authors:

- Creating and publishing their own wiki-page

We are HTML editors:

- Editing websites by writing and changing code

PE:

- Multi-skills with Tigers Trust. This session will still be on a Wednesday as our normal PE sessions are.

Science and Geography:

Changing states:

- Comparing and grouping materials into solids, liquids and gases
- Understanding the water cycle
- Observe changing states of materials

Topic: **Antarctica**

English:

Spelling, Punctuation and Grammar:

- Inverted commas
- Fronted adverbials with commas

Persuasive writing:

- Examples and features of a persuasive text
- Broadening vocabulary
- Writing a persuasive text
- Reading their work aloud to an audience

Poetry share:

- Reciting and performing a poem

Maths:

- Division
- Area
- Fractions

Topic:
Antarctica

RE:

- Saints and heroes
- This half term we will be looking at key figures that have made a cultural impact

Music:

Lean on me!

- Appraise music
- Sing and perform

PSHCE:

- Charitable giving - The gift of sight
- Animal care and creature kindness

Homework:

Reading:

- We ask that the children read at least 3 times a week at home. Remember to record these reads in your child's home reading diary as these will be checked weekly.
- This could be the hard copy reading book received from school or an online book from Bug Club.
- At the end of each half term your child will receive a certificate if they have been able to read 3 or more times each week.
- We have recently started putting our focus text for guided reading sessions on Seesaw each Friday afternoon. Please listen to the audio file and use this to answer the simple comprehension questions which the children bring home each Friday.

Spelling:

- Spellings will focus on the Common Exception Words and rules being taught each week.
- Children will receive their spelling list on a Monday which will be tested the following Monday.

SPaG:

- Each week the children will receive a Spelling, Punctuation and Grammar (SPaG) homework. This will be given out on a Monday and it is to be handed in on a Friday.
- The homework will consist of SPaG type questions.

Maths:

- Gimme 5 homework will be given out on a Monday and it is to be handed in on a Friday.
- The homework will consist of 5 maths questions for the children to complete each day (Monday, Tuesday, Wednesday and Thursday).
- We feel it is beneficial that the children complete the questions on their corresponding day so they practise little and often throughout the week.
- We are going to focus on our recall of multiplication and corresponding division facts.
