

## Literacy

- Our main writing focus will be titled 'Prehistoria Park'. We will inspire our writers through the use of film, performance and ICT to produce two pieces of writing around this central theme culminating in an Adobe Spark Page advertising this Jurassic themed park and a time-slip story.

## Science

Evolution and inheritance: to recognise that living things have changed over time; to identify how animals and living things are adapted to suit their environment; to understand what DNA is; the timeline of the earth and other cool stuff!

## Maths

Simplifying fractions  
Fractions on a number line  
Comparing and ordering fractions  
Adding fractions  
Subtracting fractions  
Multiplying fractions  
Dividing fractions  
Four operations with fractions  
Lots of fraction work!

## Music

We will be focusing on recent songs and interrogating the lyrics and the mood of the music through pitch, tempo and pace.

Our first song will be...

Brand New Eyes from the movie Wonder, by Bea Miller.

## Theme: Prehistoria Park - A Journey into the prehistoric past!

Year: 6

Term: Autumn 2

## Art

Creating Death Masks using 'The Book of Life' as inspiration and Mexican festivals for these intricate designs.

## ICT

We are App designers: market researchers. We will investigate what consumers would want from the App we are developing. Furthermore we will also be enhancing many areas of the curriculum through Apps such as Adobe Spark Video, Tellagami, Adobe Slate, Garage Band, Explain Everything, Lino, Snap App and many more.

## R.E / SMSC

Getting on and falling out. Understanding differences. Developing resilience. Understanding other people's perspectives. Perceptions. Conflict and resolution.  
To know how Christmas is celebrated around the world.

## P.E

- Tag-rugby. We will begin our rugby unit learning the skills of this fast paced invasion game. Come rain or shine we will be ready for Tag on Tuesdays!
