

Curriculum Information – Year 2 Spring 1

At Westfield Primary we value the important support that parents and carers can offer our pupils. To help you have a more detailed understanding of what your child will be learning this half term, we have prepared the following information. We hope that you will find this both interesting and useful.

If you have any questions please pop in and have a chat with us.

Thank you for your continued support,

Homework:

Reading:

- We would love the children to read at least 3 times a week at home.
- This could be the hard copy reading book received from school or an online book from Bug Club.

Spelling:

- Spelling homework will be given out on a Monday and should be returned by the following Monday.

Maths:

- Gimme 5 homework will be given out on a Monday and should be returned by the following Monday.
- We will also be sending multiplication and division homework which will need to be completed over the half term. Each week we will collect the recording card in to check that the work, games or online activities are being completed.

If we feel it is important to give homework for other subjects, then we will not give English or Maths homework for that week as we understand that time at home is precious.
