

Thank you to all who have paid their 'Share a Skill' money already. Unfortunately, our fund seems to be significantly low at present. As we progress through the year, this fund is important for us to be able to buy resources to enhance the children's experiences. If you are unsure if you've already paid or not then please ask. Thank you for your support.

Spring 2 2020

Westfield Foundation Stage Newsletter

Reading

Please could ensure that your child reads three times a week in accordance with our school policy? There will be a reward for all pupils who read three times a week at the end of each half term. Please sign the reading diary to show that your child has read their school reading book. If your child reads three times or more each week, they will move up our reading rocket!

Egg Rolling Competition

We are having an egg rolling competition. Please send a hardboiled egg (with your child's initials clearly marked at one end) during the week beginning the 30th March. The egg can be decorated with felt pens or food dye.

Spring

We are looking forward to the end of cold, frosty mornings and the start of Spring. Please help your child look for signs of Spring in the garden or when you are out for a walk. Look for Spring bulbs flowering and new leaves growing on trees and bushes. If you are lucky, you might see some new born lambs.

Now and Then

In Early Years, we will be looking at how our grandparents lived and the changes between then and now. To gather this information, we will be sending home a worksheet for your child to find out about the past.

PE lessons

This term we are very lucky to be able to work with a gymnastics coach during our PE lessons. Our PE days will continue to be Wednesdays and Fridays. The children have enjoyed using the large apparatus and will continue to do so this half term. Any pupils with long hair need to have it tied back and earrings should be removed or covered with plasters on PE days for safety reasons.

Handa's Surprise

Linking to our healthy eating topic, we will read the story of Handa's Surprise. The children will have the exciting opportunity to use the 'green screen' to retell the story in their own words.

Healthy Eating

One of our topics this term will be Healthy eating. To help the children to engage in this we will be having a trip to the shops, on Tuesday 10th March, to buy fruit. With which we will then make some delicious fruit salads.
