

Curriculum Information - Year 1 Autumn 2 (7 Weeks)

+

At Westfield Primary we value the important support that parents and carers can offer our pupils. To help you have a more detailed understanding of what your child will be learning this half term, we have prepared the following information. We hope that you will find this both interesting and useful.

This half term we look forward to learning about: finding out about the world using our senses, Autumn poems, and our local area and of course, lots of holiday fun!

We ask that you continue to access 'Numbots' 3 times a week where possible.

Topic/ Writing

- We may occasionally give writing homework or activities to support our current topic.

If we feel it is important to give homework for other subjects, then we will not give Spelling homework for that week as we understand that time at home is precious.
