Cursive handwriting
Paragraphs
Interesting punctuation
Additional writing devices such as adverbial openers, using alliteration and similes.

Music:

We will be following the Kapow music scheme. This is an integrated approach to music where games, the interrelated dimensions of music (pulse, rhythm, pitch etc.), singing and playing instruments are all linked. We will be learning to play the recorder and reading notation too!

Science:

Rocks, Soils and Magnetism.
We will know how rocks and fossils are formed. Explore the difference between sedimentary, metamorphic and igneous rocks. Know how magnets attract and repel.

Computing:

We are going to learn about computing systems and networks - Connecting computers
Creating media - Animation

Religion and World Views

Out theme this term is 'Remembering'
Compare the 6 major world religions. Looking at a variety of celebrations, including religious festivals.

PSHE / RSE

Aiming High to set our own goals and Expressing and Managing our Feelings.

Maths

We will follow the White Rose Maths scheme focusing on the four operations, place value, shape, space and measurement, data handling and problem-solving activities involving all of the above.

You can practice lots at home focusing on the x2, x10, x5, x3 and x4 tables. Looking at place value will also aid your child's development. Remember numbers are hidden everywhere! Help your child to practice reading them.

Daily homework - Times Table
Rockstars
