

Curriculum Information – Year 2 Spring 1

At Westfield Primary we value the important support that parents and carers can offer our pupils. To help you have a more detailed understanding of what your child will be learning this half term, we have prepared the following information. We hope that you will find this both interesting and useful.

If you have any questions, please send us a message on seesaw.

Thank you for your continued support,

The Year 2 Team

Mrs Bailey, Mrs. Hunt, Miss Sambrook, and Mrs. Hansley.

The Easter Story

Homework:

Reading:

- We would love the children to read at least 3 times a week at home.
- This could be the hard copy reading book received from school, a book from the library or a book from home.

Spellings and Handwriting

- Children will be given no more than 6 key words each week to practice and no more than 6 example words from the spelling pattern of the week. For example, drop the e add ing. These will be sent home on handwriting paper and should be copied out neatly in pencil. Spelling/Handwriting sheets will be handed out on a Friday and should be returned the following Thursday.

Maths

- Children should access either TT rockstars or Numbots for around 5-10mins 3 times per week. This can be one or both websites, whichever you feel is the most appropriate for your child's needs. Towards the end of this half term, we will begin looking at multiplications and divisions therefore you may wish to begin look at TT rockstars if you haven't already.

Art

- Mrs. Jones (Art Co-ordinator) has asked us to set a half termly art-based homework task this year. This will be something fun that the children can complete at home across the term linked to our topic. We will be collecting in the project pieces at the end of the half term, and we will have a gallery afternoon, where the children can exhibit and share their pieces. Hopefully, at the end of the school day we will also be able to invite parents in to have a wander around our gallery.
