Our Topics this half term:

1. Road safety and vehicles
2. People who help us: Dentist
3. People who help us: Police
4. People who help us: Firefighters
5. The Easter Story

Spring 2 (2024)

Reading

Please could ensure that your child reads three times a week in accordance with our school policy? There will be a reward for all pupils who read three times a week each week and a certificate at the end of each half term. Please sign the card to show that your child has read. Please ensure your child has their book and diary in their bag with them every day as we are hearing them read their books in school. Please remember that your child now needs to read their book 3 times before it is changed.

Egg Rolling Competition

We will be having an egg rolling competition. We will ask you to send a hardboiled egg (with your child's initials clearly marked at one end) in the last week of the half term. The egg can be decorated with felt pens or food dye. The children will also be invited to join in with the Easter bonnet parade.

Spring

We are looking forward to the end of cold, frosty mornings and the start of Spring. Please help your child look for signs of spring in the garden or when you are out for a walk. Look for spring bulbs flowering and new leaves growing on trees and bushes. If you are lucky, you might see some new born lambs.

People that help us.

In Early Years, we will be looking at people in society that help us. We will be having some special visitors in school to help us learn about this.

PE lessons

This term, we are excited to be using the large apparatus for climbing and balancing. PE lessons are on Thursdays. Any pupils with long hair need to have it tied back, and earrings should be removed or covered with plasters on PE days for safety reasons. Please ensure your child has their kit with them and that they know which pieces are theirs. Any practice getting changed independently and turning inside out items the right way would be appreciated.

JUNK MODELLING

Please keep boxes coming in for the children to make junk models! Any bits sent are really appreciated.

Brushing our teeth and keeping clean

We will be learning the correct way to brush our teeth.

Road Safety

We will begin this half term by learning how to cross the road safely and considering crossing safely in different scenarios. Please help your child to consider how to stay safe whilst out and about, such as noticing signs and crossings and how vehicles move along the roads.
