

Literacy

The children will be writing a sci-fi prologue. The crawl will be based on the famous Star Wars prologues used to set the scene and let the viewer know what has happened in the story.

SPAG

This half term will focus on possessive apostrophes, the use of standard English and conjunctions of time and cause.

Music

The children will learn to identify the features of Samba music, including where it comes from, the main instruments and its dynamics.

Computing - Photo editing

The unit looks at how digital images can be changed and edited, and how they can then be resaved and reused. They will consider the impact that editing images can have, and evaluate the effectiveness of their choices.

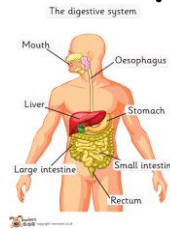

Maths

- Recall all multiplication facts to 12 x 12
- Recognise tenths and hundredths
- Divide by 10 and 100
- Compare, order and round decimals
- Money using decimals
